All Scouters and commissioners are urged to attend, according to Ralph Hurwit, district public relations chairman.

NOW UNDERWAY

The Annual Girl Scout "Cookie Sale" is now underway in Sierra Madre.

This year, local Girl Scouts are taking orders for two types of cookies—plain and filled.

Money raised by the sale goes into the girls' funds for "camp outs," overnight and extended camping trips, and other Girl Scout activities.

'We've Nothing
To Read,'
Writes Sailor

"We haven't a thing to read," wrote Harold Cameron, BT 2/c, USN, in a letter to Ralph Burns, 41 N. Baldwin.

Cameron, a member of the Harry L. Embree VFW Post 3208 who was recalled to active duty with the Navy, said reading material of "virtually all types" is lacking for members of the armed forces overseas.

He has been serving in Korean waters aboard the USS Glendale. After spending eight weeks in North Korea, the sailor commented:

"What a cold, miserable place that is! They ought to give it back to whoever wants it . . ."

In his letter to Mr. Burns, he pointed out that a VFW post has been organized in Tokyo, Japan. Cameron expects to be home on leave sometime in June. He has been overseas for approximately five months.

THE WEST GROWS THE BEST, PODNER. Pretty Pat Gray, whooping it up for National Grapefruit Week—February 15 to 24, says the best grapefruit is grown in the west. She is dressed in western style to bear out her claims. The Sunkist miss says, "Everybody is celebrating this season's crop, the sweetest and juiciest in years. People are just eating it up."

Mary Dewey
Named 'Senior
Sweetheart'

Mary Dewey, eighteen, daughter of Mr. and Mrs. H. E. Dewey, 50 Rancho Road, won the "Senior Sweetheart" popularity contest at John Muir College. In competition with eight other seniors, pretty, brown-haired, hazel-eyed Mary was elected to reign and was presented at the Muir Alumni party honoring senior class members on Friday, Feb. 9, and will be "Senior Sweetheart" at the Junior-Senior prom on June 14.

Mary came to Muir campus from Emporia, Kan., in the fall of 1949, when she enrolled as a music major and plans to teach.

Commander Wood will report next week for a month's special training at San Diego before assuming his new duties on the warship.

His wife and three children, Pamela, 7, Priscilla, 4, and Debby, 2, will continue to reside in Sierra Madre.

Parking 'Nixed'
On Holly Trail

Parking is "verboten" on Holly Trail, two motorists learned in city court Saturday morning.

Joseph Morengo, formerly of Los Angeles and now living in Sierra Madre, was one of the men cited for the illegal parking. Robert H. Stimmel of El Monte was the other one.

Both men were fined \$5 by City Judge John C. Mead.

Victor Keisel, 31 N. Baldwin, was cautioned by Judge Mead against being "abusive" to police officers for "doing the job the city pays them to do." Mr. Keisel is reported to have been "argumentative" when officer H. S. Embree issued him a citation for overtime parking.

Mr. Keisel, who was represented in court by an official of the Southern California Automobile Club was fined \$5.

Robert Morgan

Now—How about traffic on the Santa Fe?

With the co-operation of our officers, and of the employees who remained at work, Santa Fe managed to keep thousands of freight cars and all its passenger trains moving during the "outlaw strike" which began January 30th and which so severely crippled our country's rail transportation. Santa Fe could not, of course, operate at its top efficiency.

Now vital supplies, which have been piling up in freight terminals during the past several days, are starting to move.

A complex situation

There is one point, however, we know the public will understand. So complex a thing as America's Transportation System cannot be turned off and on like a water faucet.

Thousands of "car days" were lost due to freight cars standing still. Even though cars are now moving, it is bound to take a while

before congestion is relieved and delayed cars are unloaded at their destination.

Santa Fe was able to deliver more cars to other railroads than other railroads delivered to Santa Fe. Consequently, Santa Fe now has substantially less cars on its rails than when the "outlaw strike" began.

Naturally, this will result in a shortage of cars until this complex situation has been cleared.

A word to our shippers

We are doing everything possible to speed up the return to normal. We ask, however, that shippers who now need cars bear with us during this period.

Santa Fe expresses its thanks to its shippers and passengers for their patience and understanding during the trying times we have all just passed through—and also to all our people who co-operated in this emergency, many responding beyond their normal call of duty.

Citizens Attend World Day of Prayer Service

Sierra Madre residents of all faiths prayed last Friday—prayed for a world overflowing with thoughts and actions of peace rather than war.

Nearly 100 citizens took part in the World Day of Prayer service at 10 a. m. at the Congregational Church. And 15 or 20 more housewives, business people devoted their part of their lunch hours to the informal noontime worship.

The event was planned as a part of the world-wide observance sponsored by the World Council of United Church Women. Miss Martha Pritchard was Sierra Madre chairman.

'E TOILE DU NORD' CALLS

"E Toile du Nord," was the salutation given former residents of Minnesota this week in summoning them to their annual mid-winter picnic Saturday, Feb. 17, at Sycamore Grove Park, Los Angeles.

"E Toile du Nord" is the Minnesota State Flag slogan in French which means "The North Star State." Society President Otto Gerth explained. A varied program begins at 2 p. m.

VICTOR ROTHE SHOWS 'DEFINITE IMPROVEMENT'

Victor Rothe, 625 E. Grandview, is showing "definite improvement," St. Luke Hospital officials reported Monday.

Mr. Rothe, local manufacturer of pipes, was injured Feb. 1 when the bank of a ditch caved in while he was watching work on the city's water diversion project.

The surgery on his hip scheduled for last Friday was postponed, but his fractured arm was treated and placed in a cast. The operation still is planned, however, "but not for a few days yet," a spokesman at St. Luke said.

GALLERY TALKS AT INSTITUTE

Pasadena Art Institute has scheduled a series of special events in connection with the new exhibition "The World of Toulouse-Lautrec."

At 3:30 p. m. on two Sundays, Feb. 18 and 25, John Palmer Leeper, the institute's new director, will give gallery talks. Discussing the rare examples of this French artist's work, Mr. Leeper will tell visitors something of Toulouse-Lautrec's life and his creative work in painting and lithography. The public is invited.

Junior League Adapts Hansel, Gretel Play

"Hansel and Gretel" will be the next play produced by the Junior League of Pasadena in its 1950-51 series of dramas for children of the Pasadena area, according to Sierra Madrean Mrs. Donald Hamblin, president.

An original adaptation of Humperdinck's opera, the production features such innovations as Fritz, Hansel and Gretel's friendly dog; the Sandman; and his Brownie helper who dispenses dew. There is no wicked stepmother; Hansel and Gretel's parents are devoted to their children who get lost in the forest while trying to replace the food and milk they carelessly spoiled.

Three performances for members of the Junior Theater Association are scheduled for Friday, Feb. 23, Thursday, March 1, and Friday, March 2. Memberships still are available.

Bank Gets New FDIC Certificate

R. C. Lewis, president of the Bank of Sierra Madre, this week announced receipt from the Federal Deposit Insurance Corporation, Washington, DC, of a new certificate of membership giving effect to the recent increase in insurance coverage to \$10,000.

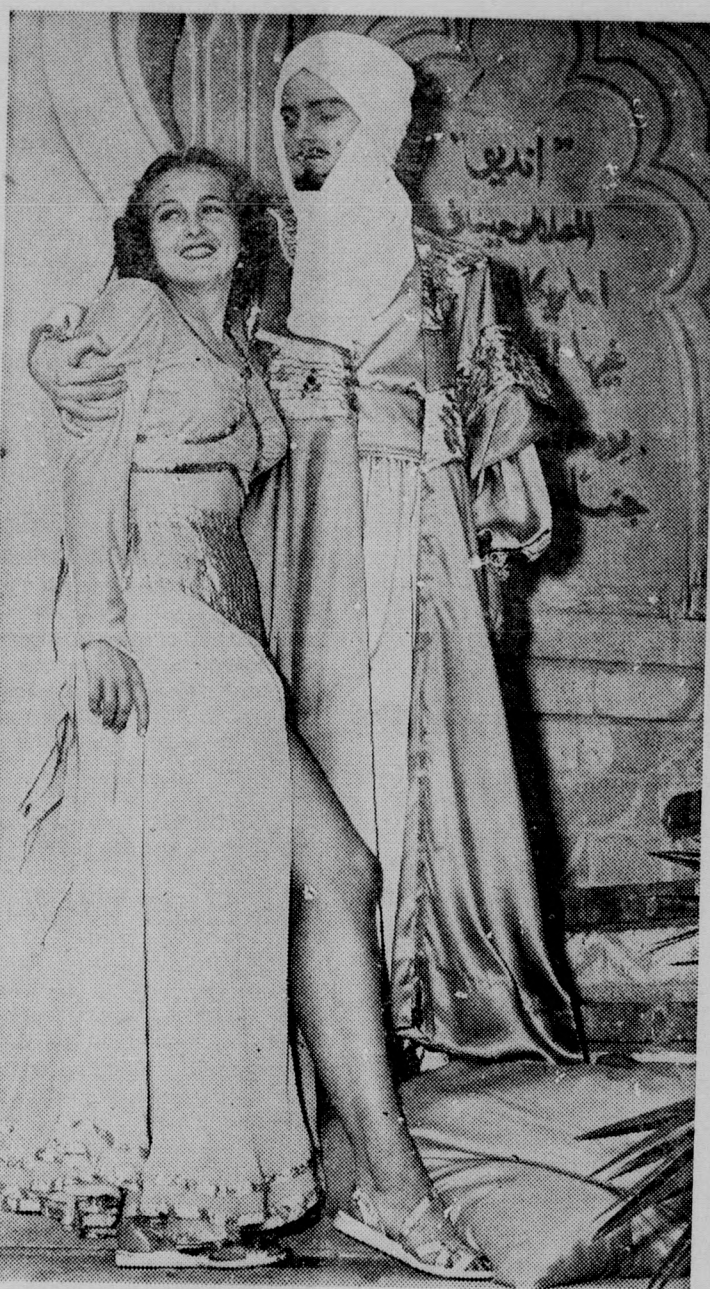

The local bank has been a member of FDIC since it was founded in 1934.

Mr. Lewis pointed out that this insurance does not cost depositors of the bank a single penny. The surplus of FDIC which now exceeds \$1,300,000, in addition to all deposit insurance losses and operating expenses of the corporation, has been paid in by the 13,650 insured banks of the nation and in the form of annual assessments based on their total deposits.

'Gold and Silver' State Picnic Due

Former "Gold and Silver" state residents and friends are reminded of the Montana mid-winter picnic and reunion scheduled for this Sunday, Feb. 18, at Sycamore Grove Park in Los Angeles.

The Hon. Walter Danielson, president of the Montana State Society, says pleasant fellowship and an interesting program are assured, beginning at 2 p. m.

ARABIAN NIGHTS PAGEANT—Anita Egnew and William Booth whose fine singing voices will be heard when they play leading roles in dazzling and exotic Arabian Nights Pageant to be presented each evening, free to fairground visitors, from \$25,000 Arabian outdoor stage at 1951 Riverside County Fair and National Date Festival scheduled for County Fairgrounds, Indio, Calif., on February 16-22, inclusive. Miss Egnew will portray role of Emir, the beautiful slave, and Booth will play role of Ali Kasam, the warrior prince, in the production which will feature nearly 100 actors, singers and dancers.

DRAPER PHILLIPS SPEAKS AT TOWN HALL LUNCHEON

Draper W. Phillips, 528 San Gabriel avenue, was one of two speakers at the Jan. 29 Town Hall luncheon meeting at the Biltmore Hotel.

Mr. Phillips, a trial attorney in the Anti-Trust Division of the Department of Justice, presented the affirmative side of a debate on the question, "Should the Powers of the Office of President Be Curtailed as to Treaties and Executive Agreements and as to Sending Troops Overseas?"

And on Monday night of this week, the Sierra Madrean appeared as a guest speaker on the KFI radio broadcast, "The American Way." For both the broadcast and the Town Hall meeting, Mr. Phillips spoke as a citizen, not as a representative of the Department of Justice.

Mr. Phillips, his wife, and 2 daughters, Diane, 7, and Patsy, 3, have been residents of Sierra Madre since October of 1948. The family is active at Church of the Ascension.

The attorney is a graduate of Roanoke College and of the University of Virginia Law School. In addition, he has studied international law at Stanford and Princeton universities. He served as a lieutenant commander in the US Navy Air Corps during World War II.

Following the surrender of Japan, Mr. Phillips was a legal adviser to the Military Government, stationed in Tokyo. He is a contributing writer for the Saturday Evening Post.

Speaking on the negative of the debate at the Town Meeting was Dr. Foster H. Sherwood, associate professor of political science at the University of California at Los Angeles.

Sgt. Buchan Ends Basic Cooks' Course

Sgt. John D. Buchan, former Sierra Madre National Guardsman, recently completed a basic cookery course at the 40th Infantry Division's Food Service School at Camp Cooke, Calif.

Sergeant Buchan, 677 W. Montecito, received theory instruction in classrooms and actual study in mess halls on meat cutting, baking, practical cooking, kitchen sanitation, and knowledge of cook's worksheet during his 30 days of schooling.

The sergeant is assigned to the Sierra Madre Heavy Mortar Company, 223rd Infantry Regiment. He is the son of Mr. and Mrs. Jack Buchan.

150 Attend Family Night

Approximately 150 Sierra Madre Boy Scouts and adults attended the Family Night dinner at the Congregational Church, last Wednesday, Feb. 7, for Troops 1 and 3.

Colored movies of the Scout pack trip to the High Sierras were shown by George Black, Scoutmaster of Troop 3. Lewis McClelland, Scoutmaster of Troop 1, was master of ceremonies for the evening.

Paragraph in 'Annals' Good During Lent

Miss Martha Pritchard has underlined a paragraph in her copy of the "Annals of Early Sierra Madre" which she thinks is "worthwhile anytime, but particularly appropriate during the Lenten season."

The paragraph is found in Chapter 21 of the "Annals," published last Fall by the Sierra Madre Historical Society. The chapter, entitled, "Our Heritage from the Pioneers," was written by Mrs. Jessica H. Wright, postmistress here from 1922-35. Miss Pritchard, incidentally, was a member of the editorial committee which prepared the historical book. The paragraph follows:

"They (early Sierra Madreans) weren't prigs or saints, but the community backbone was a very straight backbone and made for an upright community. And that uprightness and the standard they set have left a visible mark on the community of this present. This little town has an enviable reputation in the larger world beyond our bounds for the things it does and the way it does them. The new settler here unconsciously imbibes this spirit and falls into line without quite understanding how or why, and, in the course of a few years, is claiming a prideful ownership in the tradition and passing it on to the latest new neighbor."

TEA HONORS NEW RESIDENT

Mrs. Jerome J. Mulvihill, 580 N. Hermosa, a new resident of Sierra Madre, was guest-of-honor at a tea given Friday, Feb. 9 at the home of Mrs. George Galbraith, 97 Carter.

Assisting the hostess, Mrs. Galbraith, were Mrs. R. C. Lewis, Mrs. W. S. Hull, Mrs. Robert Cundy and Mrs. James Tanahill.

There were thirty guests present, among them from out of town were Mrs. James Tanahill of San Marino, Mrs. Robert Cundy of Pasadena and Mrs. L. Hendershot of Pasadena.

Local Coeds Win Prominent Muir Posts

Three Sierra Madre students attending John Muir college, have been elected to prominent posts in the Womens' Athletic Association.

Margot Woodworth, daughter of Dr. and Mrs. P. R. Woodworth, 522 W. Sierra Madre boulevard, heads the spring WAA board as president; Beverly Stunden, daughter of Mr. and Mrs. S. E. Stunden, 419 W. Grandview, has been named archery manager, and Barbara Cox, daughter of Mr. and Mrs. R. O. Cox, 154 N. Mountain Trail, is the new WAA membership chairman.

Officers and directors of First Federal Savings of Pasadena meet to congratulate one another on the completion of the extensive remodeling of the Association's quarters. From left to right around the table: E. K. Davis, Bree Freeman, John M. Mutchler, Howard B. Cant, Raymond A. Dorn, Kenneth C. Newell, Maitland L. Bishop, Richard J. Hiemann, Stanley K. Brown, Hamilton Patton, Brown S. McPherson. (Not shown, Max H. Turner).

Mrs. J. A. Hall To Host WCTU

Mrs. J. Andrew Hall, 611 W. Grandview, will be hostess to Harter WCTU which meets at 2 P. M., Thursday, Feb. 22.

A special discussion is planned. Members are asked to be present to participate.

Rites Friday For Mrs. Blixt

Mary Elizabeth Blixt, 77 E. Montecito, passed away yesterday morning, Feb. 14, at a Pasadena hospital.

Seventy-nine years of age, Mrs. Blixt was the widow of the late Alfred A. Blixt, who died in 1947. She had been a resident of Sierra Madre for nine years.

Pork Chops and Telephones

This little family scene brings to light a financial aspect of modern life which is worth considering—the fact that the price of pork chops has gone up nearly 225 percent in the last ten years, while the cost of telephone service has risen only 20 percent (average for the system.) If the cost of telephone service had skyrocketed like the price of pork chops you would be paying two to three times as much as you are now.

And here is another important matter to think about—the present-day value of the telephone. The value of the telephone has increased enormously in ten years because you can call many more people and many more can call you. The system which serves you has increased the total number of its telephones by more than 200 percent since 1940—which means that subscribers can call three times as many people in their exchange areas as they could ten years ago... and in those districts where Extended Service has been made universal, the increase in the number of possible toll-free calls is much greater.

What other commodity in daily use gives you so much value for so little money?

Drudgery vanished

the day my automatic gas clothes dryer was installed

Hanging up clothes, then taking them down again, is back-breaking work. Lugging a heavy clothes basket outdoors is a strain, too. But I'm free of all that with my automatic gas clothes dryer. All I do now is toss rinsed clothes into the dryer, set the control, and in a matter of minutes take them out.

My clothes always dry beautifully now. They're soft, fluffy, sweet-smelling... never stiff, harsh or out of shape. No sun-fading, no rust or

soot spots, no wind-whipped hems. The speed of my automatic gas clothes dryer still amazes me. Its economy is really outstanding, too! The installed price of automatic gas clothes dryers is lower than that of other automatic dryers. The operating cost is also lower with gas... only 2¢ to 3¢ per dryer-full.

Raiders Tame Panthers In Ten - Inning Thriller

Sierra Madre baseball fans witnessed one of the most exciting games in local ball park history Sunday as the VFW Raiders edged the Los Angeles Panthers, 7 to 6, in a 10-inning fracas.

Special spectators at the park were Sierra Madre Boy Scouts who were feted as a part of Scout Week festivities. A group of local Kiwanians also attended the game.

In spite of threatening skies which had fans glancing warily at the skies from time to time, all agreed the game was a thriller.

Putting two runs together in the 4th, 7th, and 8th innings, the Raiders were leading the Panthers 6 to 1 at the start of the 9th. Up to that point, Pitch-

er Harold Stueve had been hurling 6-hit ball and never had allowed more than one Panther hit per inning.

But with one out in the 9th inning, the visitors got back in the game by walloping five consecutive singles and a double to tie the score 6-all. "Mutt" Oaks relieved Stueve at the mound and forced the first batter he faced to "pop out" to Howie Nielson who fired the ball to Evans for a double play.

In the last of the 9th, Dixon doubled and went to third on Frazier's long fly to center field. Evans was purposely passed and promptly stole second. During an attempt to squeeze in the winning run Schaefer popped to the pitcher who made the put out at third for an unassisted double play.

Raider Pitcher Oaks held the Panthers in the first of the 10th inning. With the Raiders up, Kiggins and Franco singled. VFW Manager Larry Shepherd pinch-hit for Oaks and hit to short. The short-stop bobbled the ball, and Shepherd made it to first to load the bases.

Sierra Madre Shortstop Jason blasted the first pitch over the center fielder's head for a double, scoring Kiggins with the winning run.

Next week at the city ball park, the Raiders are scheduled to meet the Harbor Giants from San Pedro. According to Manager Shepherd, the Giants are "plenty good."

Scouts Feted At Ball Park

Sierra Madre Boy Scouts went to the ball game Sunday, the special guests of the VFW Raiders semi-pro hardball team.

The Scouts were climaxed their observance of Scout Week. It was the first time a special "day" has been celebrated at the local ball park.

Harold Stueve, pitcher of the Raiders, supplied ice cream for the Scouts. He represents the Alta-Dena Dairy. According to Larry Shepherd, manager of the Raiders, Stueve has offered to supply ice cream any time there is a special "kids' day" at the ball field.

ON THE DIAMOND
Attention VFW!

Last week I tried to get the answer to the short attendance at Sunday ball games. On contacting a few ball fans that I knew were ardent supporters of the Arcadia Cardinals in the past, I asked each this question: Why don't you support the home team?

Here are some of the answers I received.

One fan is now working Sundays. Another said his wife wanted to go with him but it was too sunny and hot in the so-called grandstand. The third fan said the lack of enthusiasm among the few rooters at the game took all the pleasure out of the game for him. He said he felt too conspicuous rooting all alone.

My last inquiry was answered in very few words.

Why should I go out there every Sunday and support the VFW Raiders when VFW members themselves won't come out and support their own team? If they don't think enough of their own ball club to attend, then, you can count me out.

Well, there it is, I think we now have our answer to the short attendance. So let's try to improve this sorry situation.

Girl's softball team starts Spring training.

Manager Barbara Heasley sent out a call for the Sierra Madre V-Ettes last week and the response was very gratifying with past stars such as Marge Fulton, Bobbie Cox, Beverly Stunden, Joe Rice, answering the call. Some of the new players reporting were Joyce Hopping, Dixie Martin, and Jeanne Denning.

The Arcadia park was the scene of the first workout on Tuesday night, Feb. 6, and, according to the reports of coaches Marston Blood and Bill Kiggins, the girls are starting out with lots of enthusiasm. So Sierra Madreams should see some great games this coming season.

ON THE FAIRWAYS

I can't say whether it was intentional or not, but the score card of our local foursome for Sunday, Feb. 4, was not turned in to me until it was too late for last week's edition. On looking over said card, I see the score of the deliverer was 108 strokes for 18 holes. Looks like a bowling score. Geo. Larson had trouble on the outgoing 9, too many fives gave him a 43. But on the back 9 he settled down and collected 2 birdies and 5 pars for a nice 37, giving him an even 80. Krinke and Ed Keating both had 89's.

Next Sunday, Feb. 18, Fred Krinke, Andy Liscomb, Geo. Larson, Ralph Valencia, Joe Murphy and Jerry Fairfield will travel to the Willowick Country Club in Santa Ana to compete in the Elks team matches.

DOWN THE LANE

In answer to many of the questions asked me about the Arcadia Alleys: Since there has been so much discussion this year about alley conditions, alley maintenance, rounded-bottom pins, pin weights, etc., this writer decided to investigate each and every league now bowling at Arcadia, and see how much, if any, truth there is to all the wild-eyed claims being broadcast by our good brothers of the fourth estate.

Of course it is impossible here to put down all the pertinent facts uncovered during our many hours of perusal. Most of the low scores around are caused by the missing of one- or two-pin spares. It is this writer's contention that one- or two-pin spares should be picked up, even if the game is being rolled on concrete.

The great majority of bowling palaces, (I use the word loosely) are doing a fair-to-middling job of maintenance. There are as many arguments about weights of wood as to preclude any definite agreement about that here.

In my opinion, however, pins in weights of three pound, three ounces to three pounds five ounces with the maximum bevel allowed by the ABC are best for most bowlers. With the present war conditions, most alleys are forced to take what ever weight pins are available in the local supply houses. But so far the weights have been fairly good. So as usual the hat is put right back on the bowler for misses on those one- and two spares.

In the following report we are listing the high one or two

bowlers in many of the leagues and listing their present high average as compared with their highest averages from last season.

In the Sunday night mixed fours, Bill Boag is leading the average list with a 175, as compared with last year's 163. Ella Rosset is leading the women with 157, as compared with last year's 156. In the 16 team K of C league, John Palagyi is leading the league with a 190, as against 187. Another top shooter is Harry Meyers with a 188 as against 172.

In the Arcadia American Legion league, Andy Anderson is leading with 186, as against 173 last year. Gene Henney is close with a 182, as against 178.

In the top-drawer league in Arcadia, the 850 scratch, Ron-

ald Anderson leads with 187, as against 179. Elmer Olson is right on Andy's heel with 186, as against 185.

The other scratch league, the 825, shows Earl Johnson at 187, over 11 pins from last year. Angle Cerrito is giving him a run for the flag with a nice 185 against 174 last year. Chuck Schiffman shows 7 pins increase over last year's with 184.

In the Lions league Doman Dial and Jim Frazier are hot-footing it to the finish wire with 181, two and ten pins over last years. These boys have fun with their bowling, too.

Of course, there is the argument that these are the top bowlers in the leagues, and what about the others? To that question I have only one answer. In a horse race, they only time the winners.

First Federal Savings Opens New Offices

First Federal Savings and Loan Association of Pasadena this week announce the formal opening of its newly-enlarged and completely remodeled quarters at the corner of Green street and Los Robles.

The extensive remodeling project, which involved tearing down and rebuilding the entire quarters literally about the heads of the working staff, has covered a 10-month period, according to E. K. Davis, association vice-president. The association was closed for only two half days during this entire period, he said.

New offices of the firm now cover approximately 33 per cent more floor space than before, the association having taken over the area formerly occupied by two stores on Green street.

Rites Held for Mrs. Curran

Mrs. Sarah America Curran, a resident of Sierra Madre since 1923, passed away at her home, 110 E. Highland, Sunday, Feb. 11. She was 89 years of age and a native of Reedville, Oregon.

Mrs. Curran is survived by two daughters, Josephine, of Sierra Madre, and Mayme E. Wolf of Norwalk, a son, James B. Curran of Santa Monica, two grandchildren, and two great-grandchildren.

Rosary was recited Tuesday night at Grant Chapel, and Requiem Mass was sung yesterday morning at St. Rita's Church. Interment was at Calvary Cemetery.

ORDINANCE

From Page One

this ordinance, one man can proclaim a disaster. "He is supposed to call a meeting of the Council as soon as practicable, but what that means, the ordinance does not say.

"The same man can then exercise complete authority over the city and exercise all of its police powers. He can issue rules and regulations that have the effect of ordinances; he can pledge the credit of the city for such materials as he may deem necessary. He may even deem commander them," Mr. Eaton said.

"I don't care how able or honest the man who is mayor," he exclaimed. "This ordinance in my opinion is undemocratic, un-American, and vicious."

In addition, he said, there already are plenty of laws to govern any situation that may arise, all of which have been tested by time. The ordinance is unnecessary.

"Legislation of this type is the poison by which free people die," he concluded.

Councilman Herman Barter pointed out that pros and cons of the ordinances were discussed at length by the legal staff of the League of California Cities and representatives of cities, counties, and the state when meeting in Sacramento recently.

Mr. Barter remarked that if Sierra Madre didn't pass a law similar to those being adopted by other communities, it might hamper the "mutual aid" plan for Civilian Defense.

On motion of Councilman Alexander Black, the ordinance was given its second reading and subsequently adopted, Mr. Eaton casting the lone "no" vote.

Hadacol Helps New Mother

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron in Which Her System Was Deficient

Mrs. Lottie F. Edwards, who lives at Route 1, Inverness, Miss., has two careers . . . she is a registered nurse and also a wife and mother of a new baby. After her baby was born, Mrs. Edwards felt run-down; she knew she had to do something to help overcome this condition so that she would feel up to her many duties.

Mrs. Edwards began taking HADACOL and says it really helped her. Mrs. Edwards was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is what Mrs. Edwards says: "I have taken one bottle of your HADACOL and am now on my second bottle, and I can say it has really helped me. After my baby came I didn't feel like walking around, I had headaches and was very nervous, and even one bottle has helped me so much. I want to keep on taking your wonderful HADACOL. I will certainly recommend it to all patients I come in contact with, for I think HADACOL is just the formula needed for Vitamin and Mineral deficiency."

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional bottles of HADACOL and many of them indicated that they recommend the HADACOL formula to their patients. HADACOL has helped folks of all ages when their condition was due to a deficiency of Vitamins B₁, B₂, Niacin and Iron, elements which are contained in HADACOL.

Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, La. © 1951, The LeBlanc Corporation

OES, Masons Plan Pot-Luck Dinner, Feb. 24

Wives of Masons and members of the Sierra Madre Chapter, Order of Eastern Star, will present a "planned" pot-luck dinner next Saturday, Feb. 24, at the Masonic Temple.

According to John C. Mead, master of the Sierra Madre Lodge No. 408, F. and A. M., the dinner is "planned" in that members have been assigned specific dishes to bring.

"In a sense, we are just eliminating the word 'luck' from the name," Judge Mead pointed out. The dinner begins at 6:45 p. m.

Emma Koch Dies 21 Days After Husband

Mrs. Emma Koch passed away Friday, Feb. 9, 21 days after her husband, Theodor, died.

She passed away at Hermosa Beach where she had been making her home since leaving Sierra Madre a year ago. Mrs. Koch had been a resident of Sierra Madre for 27 years, living at 126 E. Laurel.

Born June 7, 1871, 79 years ago, Mrs. Koch was a native of Waverly, Iowa.

She is survived by two sons, Raymond B. Koch of Sun Valley, Calif., and Fred Niemann of Ocean Park, a daughter, Mrs. Dorothy Pagenkopf of Sierra Madre, six grandchildren, and seven great-grandchildren.

Funeral services were conducted Monday afternoon at Grant Chapel, the Rev. Rudolph Zurbuchen, minister of the Emmanuel Methodist Church of Pasadena, officiating. Interment was at Mountain View Mausoleum beside her husband.
